# **CHAPTER IV**

# A NORTH AMERICAN APPROACH

# 1. MARKETING RESEARCH

# Customer Research

- Customer Satisfaction
- Lead Generation
- Lost Account Research

# Communications Research

- Advertising Testing and Tracking
- Let's Talk Risk Workshops

# Internal Research

- Product Research
- Employee Satisfaction
- Corporate Imaging / Familiarity

# Product Development Research

- SME Financing Products
- SME Working Capital

# 2. ADVERTISING AND DIRECT MARKETING

### Advertising & Promotion Objectives

- Set measurable performance objectives:
  - Response rates based on inquiries from 800 lines, reader reply cards, Internet web site
  - Sales conversion rates
  - EDC awareness levels among prospect audiences
  - Recall levels of EDC ads.

#### **Trade Shows**

- "Participation" takes many forms:
  - Limited attendance
  - Staffed booth
  - Looping computer presentations
  - Speaking engagements
  - Pre-show delegate letters
  - Post-show delegate follow-up
  - Event sponsorship
- EDC is participating in 17 trade shows this year

#### Associations

Among EDC's target sectors, 35 industry associations have been identified and are being contacted for a variety of marketing activities:

- Membership lists for direct marketing and lead generation
- Association publications and newsletters for advertising and editorial opportunities
- Events, conferences, trade shows that may warrant some form of involvement
- Key industry contacts

## **Challenges and Opportunities**

- Every year, one in four SMEs go out of business, making awareness building difficult
- The 'decision-maker' who buys the EDC product is either an owner or a financial specialist, rendering vertical advertising ineffective
- Many companies still don't know EDC
- No brand equity in "EDC", corporate signature is confusing

### 3. EDC MARKETING PROGRAM

#### Lead Generation Survey - Key Questions:

- Export and total sales
- % of exports to unrelated buyers
- familiarity with EDC
- primary product or service
- likelihood to use credit insurance
- likelihood to invest in developing countries
- export markets of interest

### **Results - Leads Generated 1996 & 1997 to date**

#### 7,348 interviews with Canadian Exporters

### **Converting Leads into Sales**

- Not all follow-ups will result in new business expect a conversion rate of 10-20%
- Conversion times (after follow-up) range from one day to two years plan to reschedule many calls

#### **Cost / Benefits of Generating Leads**

	<u>1996</u>	<u>1997</u>
Cost per Lead	\$30	\$18
Cost per Sale	\$1,108	\$1,310

- Increased awareness of EDC among exporters, improved EDC knowledge of awareness levels
- Enrichment of Sales Trak with complete contact, product and sales information
- Development of a comprehensive exporter database, generation of mailing lists for Teams

### Lead Generation - Quality Control

- Re-interviewing leads not followed-up within the last year
- Set team and BDM targets for lead follow-up rates, conversions
- Acquire more targeted lists of exporters
- Focus business development effort on top tier of prospects

# 4. <u>Selling Through Brokers</u>

### What is a Specialist Broker?

- Experience with export credit insurance covering exposure both within and beyond the North American arena
- Knowledge of technical and legal requirements for trading goods in foreign countries
- Exposures to and understanding of Policy documentation such that assistance and guidance can be provided to a prospective insured with respect to product comparisons
- Knowledge across a broad range of industries such that a potential insured's business requirements are understood an can be fully explained to EDC

### **Direct Selling vs Selling Through Brokers**

- Cost effectiveness
- Product understanding
- Relationship with customers
- Access to certain (larger) potential cutomers

## 5. <u>Selling Export Insurance to and via Banks</u>

### **Role of the Bank**

- Provide exporter with access to working capital
- Confirm / negotiate / accept / pay documentary credits

### **Recent New "Products"**

- Master Accounts Receivable Guarantee (MARG) for small exporters, provides Banks with a guarantee on loans against receivables
- Grow Export Program joint working capital guarantee program with Canadian Imperial Bank of
  Commerce for small high-tech companies
- Norhtstar Trade Finance short-term policy tailored to cover medium-term credits (up to 5 years

- Medium-Term Documentary Credits Policy broadened short-term DC policy to cover medium-term LC's (up to 5 years)
- Bank Aval Policy policy in development to cover Canadian banks on foreign bank avals rather than Letters of Credit
