

APEC SUB-COMMITTEE ON CUSTOMS PROCEDURES

TERMS OF REFERENCE (ToR)

Statement of Intent

APEC Leaders and Ministers have determined that Customs Administrations will pursue efforts to simplify and harmonize customs procedures to facilitate trade transactions among APEC economies, as outlined within the Trade and Investment Framework.

The Sub-Committee on Customs Procedures (SCCP), which reports to the Committee on Trade and Investment (CTI), was established in 1994 as a forum in which to fulfil the commitments of APEC Leaders and Ministers relating to customs matters. The SCCP has developed a Collective Action Plan (CAP), which includes practical measures to fulfil these commitments. The plan is not a static document but, rather, is in an almost constant state of development as the work of Customs Administrations evolves to meet the demands of globalized economies. This plan, in turn, drives the SCCP's annual Work Program.

The SCCP's goals within the APEC forum are focused on trade facilitation, trade security and related enforcement matters, taking into account the responsibility of each Customs Administration for the effective implementation of legitimate border measures.

Terms of Reference

Consistent with the Statement of Intent, the SCCP will identify and pursue:

1. actions for regional enhancement of harmonized and simplified customs procedures;
2. actions on enforcement matters related to trade facilitation;
3. joint actions and linkages with other government agencies and business/private sector organizations related to trade facilitation;
4. actions which contribute to the common development of customs human resources;
5. actions which foster an IT-friendly environment in customs procedures including paperless trading initiatives such as single window within individual economies;
6. actions which promote the security of the global supply chain and promote trade facilitation; and
7. the completion of the SCCP Evaluation Matrix for economies to self-evaluate their current status of implementation of ongoing SCCP CAP items.

In pursuit of these goals, the SCCP will cooperate and coordinate with:

- a) other APEC working groups and committees;
- b) APEC private sector groups such as ABAC and business representatives within individual member economies;
- c) the WCO and regional customs organizations;
- d) other Asia/Pacific Customs Administrations; and
- e) relevant international organisations.

14. This agenda shall comprise all items for which inclusion has been approved by the SCCP during its preceding session and any other items which the Chair or a Member may request to include.
15. Any Member who does not agree to the inclusion of any item in the Draft Agenda should make its view known to the Chair not later than two weeks after receiving such Draft Agenda.

21. All documents are to be prepared using the standard document format as approved by the SCCP and amended from time to time.
22. Any Member bringing documents to the meeting that may require redrafting should be encouraged to bring the documents in electronic format.

Officers and Conduct of Business

23. The Customs Administration of the current Chair of APEC shall be the Chair.
24. The Chair shall participate in the proceeding as such and not as a representative of an APEC member economy.
25. When the Chair believes that a matter is being considered in which he or she has any interest, he or she shall offer to vacate the role of Chair for that discussion in favour of an alternate Chair to be decided by the SCCP.
26. In addition to exercising the powers and duties conferred upon him or her elsewhere in this guideline, the Chair shall have the responsibilities to:

Working group terms of reference are to be prepared using the template approved by the SCCP and amended from time to time.
32. Decisions of the SCCP at any meeting shall be based on consensus. However, the fact that the consensus has not been obtained on a particular matter shall not preclude the SCCP from reporting to the CTI on that matter.

34. The SCCP may request the APEC Secretariat to provide advice on APEC budgetary and other requirements affecting the operations of the SCCP.

Should there be a consensus in favour of a non-member or regional organization which meets APEC rules and guidelines, that consensus shall be reported to the Chair of the CTI with a recommendation that it be endorsed. Subject to that endorsement, an invitation may be extended by the Chair on behalf of the SCCP.

Revision

40. These rules and guidelines may be revised at any time, in whole or in part, by the SCCP, and be recommended to the CTI for endorsement in their revised form.
