

## **Announcement of APEC EGEE&C 53<sup>rd</sup> Meeting & Workshops**

**18 - 22 March 2019**

**Hong Kong, China**

Dear APEC EGEE&C Colleagues,

We are pleased to announce that the APEC EGEE&C 53<sup>rd</sup> meeting and workshops will occur on 18 - 22 March 2019 in Hong Kong, China. EGEE&C and EGNERT joint section will be arranged during this meeting to discuss how to achieve energy intensity and renewable energy goal in APEC region.

Agendas, registration and accommodation details will be advised shortly. In the meantime, please direct any general queries to the Secretary, Mr. LIU Ren. Project overseers are advised to contact the Secretary for organizing the workshops in the margin of the APEC EGEE&C 53 meeting.

Our sincere thanks go to the Electrical and Mechanical Services Department (EMSD), Government of the Hong Kong Special Administrative Region for hosting the joint meeting & workshops.

Please feel free to circulate the meeting information to other contacts who may be interested.

Best regards,

LIU Ren
