

**SEMINAR ON PRACTICAL MEASURES TO MANAGE AVIATION EMISSIONS
FOR APEC TRANSPORTATION WORKING GROUP (TPT-WG)
3 & 4 April 2008, Kuala Lumpur, Malaysia**

DAY 1

08:00 – 09:00 Registration
09:00 – 09:15 Opening by TPT-WG Lead Shepherd.

SESSION 1: Establishing the basics for reducing emissions

09:15 – 09:20 Overview of session by facilitator
09:20 – 09:35 *ICAO developments since August 2007 emissions seminar*
09:35 – 10:25 *What should be the APEC focus in the short term? (Panel Session)*

10:25 – 10:50 Refreshment break

10:50 – 11:30 Panel presentation continued
11:30 – 11:45 Panel – questions & answers
11:45 – 12:10 *Measuring and reporting on aviation emissions trends*
12:10 – 12:30 ♦ Summary/discussion
♦ TPT-WG break-out group – development of *Chair's Summary*

12:30 – 14:00 Lunch break

SESSION 2: Air traffic management systems and operational efficiencies

14:00 – 14:05 Overview of session by facilitator
14:05 – 14:35 *ATM related efficiencies being implemented in Australia*
14:35 – 15:05 *ATM [operational efficiencies in another APEC Economy.]*
15:05 – 15:30 **Refreshment break**
15:30 – 16:00 *Industry perspective on further ATM/operational efficiencies*
16:00 – 16:30 *Emissions related efficiency issues at the aircraft/airport interface*
16:30 – 17:00 ♦ Summary/discussion
♦ TPT-WG break-out group – development of *Chair's Summary*

18:30 Pre-dinner drinks and seminar dinner

DAY 2

SESSION 3: Role of economic measures in offsetting aviation emissions

08:30 – 09:00	Tea & coffee
09:00 – 09:05	Overview of session by facilitator
09:05 – 09:35	<i>Experience with development of emissions trading schemes</i>
09:35 – 10:05	<i>Voluntary offset schemes for aviation emissions</i>
10:05 – 10:30	Refreshment break
10:30 – 11:00	<i>Ensuring credibility of carbon offset providers</i>
11:00 – 11:30	<i>Voluntary agreements between governments and industry</i>
11:30 – 12:00	<ul style="list-style-type: none"> ◆ Summary/discussion ◆ TPT-WG break-out group – development of <i>Chair's Summary</i>
12:00 – 13:30	Lunch

SESSION 4: Future opportunities and the way forward for APEC

13:30 – 13:35	Overview of session by facilitator
13:35 – 14:05	<i>Airport climate change strategies</i>
14:05 – 14:35	<i>Alternative fuels for aviation</i>
14:35 – 1500	Refreshment break
15:00 – 15:30	<i>Future direction with aircraft design</i>
15:30 – 16:15	Opportunity for questions followed by group discussion session
16:15 – 16:30	Summary and the way forward
16:30 – 16:45	Finalisation of <i>Chair's Summary</i>
	Seminar Close
