

RATIONALE OF SEMINAR- WORKSHOP

Assessment of Good Animal Husbandry Practices in APEC Member Economies

October 25-27, 2011

Hotel Dominique Tagaytay City, Philippines

Description of the Seminar-Workshop

*This is a 3-day activity of APEC Agricultural
Technical Cooperation Working Group (ATCWG)
under the APEC SOM Steering Committee on
Economic and Technical Cooperation*

Objective

The project aims to create cooperation and competency in identifying specific inadequacies vis-à-vis the individual and collective animal husbandry practices of APEC Member Economies.

Specific Objectives:

- 1. To assess the current situation of livestock and poultry industries and its relationship to rising public health concerns among member economies, production capacity and product safety.*
- 2. To create a forum and initiate regular discussion on regional issues on animal production systems.*
- 3. To share best practices on good animal husbandry among APEC Member Economies*

Components:

1. *Lectures*
2. *Member Economy Presentations*
3. *Workshop-SWOT Analysis*

Deliverables:

1. *Collation of best practices*
